

The tanks of the series **MONO** are the extreme answer to the need of installing a side mounting oil tank in presence of very reduced space as those indeed available on the actual road tractors for the presence of high capacity fuel tank, spare wheel, Ad-Blue tank, catalytic converter and battery-pack. The manufacturing technology and the quality of raw materials employees are the same employed for the tanks of other ranges but for them we studied a specific fixing kit constituted by a single reinforced support able to withstand also the more serious conditions of use. Their technical basic endowment guarantees great flexibility of employment as well as a notable facility of installation. **The blank flange is provided included in the standard equipment.**

ACCIAIO VERNICIATO COATED STEEL (RAL 7021)		
Capacità nominale <i>Filling capacity</i>	Codice serbatoio <i>Tank code</i>	Peso <i>Weight</i>
		Kg

115	H1GMBL03020	41

Technical drawing of the F4 oil can, showing top, side, and front views with dimensions and labels.

Top View Dimensions:

- Overall width: 72
- Overall height: 70
- Internal width: A
- Internal height: B
- Distance from top edge to oil level indicator: 50
- Distance from top edge to filter flange: C
- Distance from left edge to G 1: 72
- Distance from left edge to G 1-1/2: 72

Side View Dimensions:

- Overall height: 44
- Distance from top edge to oil level indicator: 25
- Distance from top edge to filter flange: 30
- Distance from bottom edge to filter flange: 30
- Distance from bottom edge to oil level indicator: 30
- Distance from bottom edge to filter flange: 30

Front View Dimensions:

- Overall width: 115
- Overall height: 310

Labels and Notes:

- Livello olio / Oil level**: Points to the oil level indicator.
- G 1**: Points to the top left corner.
- G 1-1/2**: Points to the bottom left corner.
- kit già incluso / kit already included**: Points to the bottom left corner.
- Flangia / Flange F4**: Points to the filter flange.
- Predisposizione filtro / Filter predisposition**: Points to the filter flange.
